P. H. CLARK.
A. C. WUREBACH.

NEW FIRM. rne; subscribers have associated themselves together under the firm of F. H. CLARE & CO. P. H. CLARK, JAS. S. WILKINS, TROS HILL.

A CARD. OUR NEW FIRM. It affords me pleasure to annunce to my friends and the public that I have associated with me my former partner, JAS. S. WILKINS, and my well-known assis-tant. THOS. Hill., under the familiar style of F. E. The new firm will start with an efficient force in each The new firm will start with an emount torce in each mechanical branch, the Watch department being under the supervision of Mr. Wilkins.

Sto \full at all times of the latest fashions, and prices as less as the same quality and style of goods can be purchased in Philadelphia or New Tork.

I am thankful for the liberal patronage extended to me during my fifteen years' residence in Memphis, and my line will be to merit the continuance. sim will be to merit its continuance.

OUR aim has been to keep pace with our growing city, and furnish these who want Goods is our line with good articles, and at fair prices. Our assertment, for years, has been but little if any behind our Eastern cities. It is more extensive this season than ever. Our leading branches are, first— WATCHES, Of which we have every variety in general use of which we have every variety in general use, together with a large assortment made to our order, which for neatness of style and time-keeping, are surpassed by none. In our assortment will be found the Eight Day Watch and the Repeating

ESTABLISHED 1841.

Chronometer, giving the time to a minute in the dark. JEWELRY. Our assertment in this important branch is kept full by frequent receipts of all the new styles, whether of foreign or demestic production.

GUNS, GUNS.

We have made this branch of our business a study for cars, not only pasting ourselves with regard to the dir-ferent qualities and merits of the different styles and ma-ters, but of the kinds best suitable to our market. Our ment, for a number of years, has been large, to which we have recently made many additions of our own importation. We can furnish our customers with SHOT GUNS from \$5 to \$200; RIFLES from \$10 to \$100. Also, the celebrated SHARPE'S RIFLE. Pistols.

DERRINGER and COLT, of all sizes. Also, a full as sortment of the kinds in general use.

A full assortment of Pucket and Table, from the best makers, with a great variety of Fancy Goods, OUR MECHANICAL BRANCH. All kinds of Watch Work done in the most faithf manner. Jewerry repaired, and new made to order Engraving.

Plain and Oramental; Scals for Lodges, Courts, &c., in any style, Stencel Plates of all sizes. OUR DAGUERREAN GALLERY, Prof Remington, Artist, Embraces a suit of rooms built expressly for the purpose, and we are prepared to furnish our customers with first class pictures in all the various styles.

In building expressly for our business, we have combined every convenience for the different branches, and greatly re-used our expresses, which, with our facilities and the extension of our business, enables us to sell goods and do work on the most reasonable terms. Goods cheerfully above and facility expression of the convenience of the convenienc

fully shown and fairly represented, and we invite all both buyers and the curious, to drop in wi hout orremons and examine our stoc. We keep open house for all. oct16-dawly F. H. CLARK & CO. THE SPHEREOTYPE. The isited and by far the most important improvement in Photography is the recently patient of picture known as the SPHEREOTIPE, which is not only new and unlike any of its predecessors, but greatly superior to all. The Sphereotype is proof against TIME. AIR and WATER, and for rithuess of tone, warneth of expression and distinctness has 10 equal—in fact the illusion is such that the picture, or image, seems suspended in air, entirely independent of the back ground. For this picture we have the exclusive right for Memphis Specimens can be seen in our Gallery, where pictures are also when he is the carriers of the second of the s

Collierville Male Academy. THIRD SESSION begins FIFTH of JANUARY, and J. B. STA WPS, Principal. English.
J. CLAYTON, A. M., Ancient Languages.
G. R. BRIDGES, Bloward. 

THE undersigned would re-pectifully inform the public that he has taken charge of the Male School near Forest Hill Seminary, where he hopes by unresult ting attention to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession, to merit a surrent control to the duries of his profession in the first control to the duries of his profession, to merit a surrent control to the duries of his profession in the first control to the duries of his profession in the first control to the duries of his profession in the first control to the duries of his profession in the first control to the duries of his profession in the first control to the duries of his profession in the first control to the duries of the his profession in the first control to the duries of the his profession in the first control to the duries of the his profession in the first control to the duries of the his profession in the first control to the duries of the his profession in the first control to the his profession of control to the duries of the his profession in the first control to the his profession of the his profession in the first control to the his profession of the his profession of the his profession in the first control to the his profession of the his profession in the first control to the his profe

THE next session of this Institution will commence on FERRUARY 2d.

Peculiar advantages are here offered to young men who desire a thiotough course of instruction. The Faculty offer every tacfling that their acholarship, experience and energy may allow. Great care will be taken to make Special attention will be given to the department of Modern Languages and Civil Engineering. Very superior Mathematical Instruments have been purchased for the Department of Practical Mathematics, including Land Surveying, Civil Engineering, &c.

The discipline of the Institution will be prompt, yet parental, and no sandent of incorrect deportment will be rough. The village is healthy, highly moral, free from extravagance and retired from places offering indusements.

TENNESSEE IRON.

TENNESSEE IRON.

THOSE who are in want of Partable Mills for borse, a stern or water power or Burr, Millstones of severy and the combettand River as failed and heavy stock of the Celebrated for the Modern Languages and Strate, and best quality, are invited to call at my Factory, we have stock of the United States. My Horse Mills will grind from six to ben and eleven bashels good man yet may be substantiate the assertion. I guaranty suitsfection in all cases. I refer to a few of the merchants of the city warranted Bellows, solid bex (and other) Vices, Monsahale Instruments have been purchased for the Stocks and Dies. Plat, Square and Octagen Cases Steel, Junes, Brewn & Co.

The discipline of the Institution will be prompt, yet parental, and no sandent of incorrect deportment will be to the fact of the Institution will be prompt, yet parental, and no sandent of incorrect deportment will be to the fact of the Institution will be prompt, yet parental, and no sandent of incorrect deportment will be to the institution will be prompt, yet prompt and server bashes good many of my Mills, and can testify of the Basic Acts of the Institution will be prompt, yet prompt and server bashes good many of my Mills, and can testify of the Basic Acts of the prompt and parental, and no sindent of incorrect deportment win me related.

The witings is healthy, highly moral, free from extravagance and retired from places offering indusements to vice. Nature seems, indeed, to have designed it preeminently as a place for Licerary purposits.

The Russellville Female in titute is an Institution of high grade, and thus the brother and sister may accompany each other. The Course of Instruction is thorough, more so than most Colleges of the South and West. The buildings are commedious, neatly furnished and very finely situated. The Faculty are geneticned, and of great energy of character.
